#RUSTGRADS23

The #RUSTGRADS23 Campaign is a celebration and appreciation of years of hard work, commitment, and accomplishments of every graduating senior student in the Class of 2023. This campaign encourages all current graduating seniors, and all Rust College alums and friends to give \$20.23 in celebration of the momentous occasion. Your Class Gift is an opportunity to leave a **lasting and impactful legacy** for students coming behind to ensure they have the tools and access to achieve their own success.

WHY THIS CAMPAIGN IS IMPORTANT FOR RUST COLLEGE?

Every college or university across the country, regardless of size, depends heavily on “philanthropic giving” to help bridge gaps in critical resources that tuition alone cannot provide. Giving from students, alumni, parents, faculty & staff, and friends helps to provide those needed resources. All donations go towards Rust College’s annual fund and allows the institution to invest in providing support in academics, facilities, and any other student-centered institutional priorities.

HOW CAN MY SMALL “GIFT” MAKE AN IMPACT?

There is strength when many come together for good! Very few individuals have the financial means to give significantly large gifts. This makes it necessary to engage as many individuals as possible to come together with smaller gifts that can add up to provide great impact. Participation is **KEY** and will communicate to other funders that when it comes to your alma mater, **YOU ARE ALL IN!**

WHAT’S IN IT FOR ME?

For graduating seniors, as a #RUSTGRADS23 donor, you will be invited to a private reception with the graduation speaker, Mr. Stevie Baggs Jr. and you will also receive a philanthropy cord to wear during Commencement. This will be a symbol of your celebratory commitment to your soon-to-be alma mater for all that you have accomplished during your journey at Rust College! All alumni and friend donors who give to the campaign will receive mention in the next Sentinel magazine (Fall 2023).

More importantly, you will be “paying it forward” for students following in your footsteps who will need the financial support to achieve their hopes and dreams – the same support that you received, whether you were aware of it or not, from those who came before you.

MAKE YOUR CONTRIBUTION TODAY!
