Rust College recognizes that standard financial aid forms do not always capture the full financial profile of our students and their families due to Special Circumstance. Through an Appeal process, the Office of Financial Aid **may** be able to make adjustments to your 2024-2025 FAFSA which **could** result in a recalculation of aid eligibility at Rust College. All appeal cases are subject to a review and are not guaranteed to result in any additional financial aid.

**All decisions are final.**

All documentation required must be attached. Incomplete information and telephone requests will not be accepted. Please **NOTE** the student/and or parent(s) have the primary responsibility for any financial obligation that may exist prior to the completion of the review process. Also, the Financial Aid staff may ask for additional documentation, at any time during the review process.

### Examples of situations that cannot be considered Special Circumstances include:

- Voluntary job loss
- Loss of other income that can't be documented or was not court ordered
- Consumer Debt
- Bankruptcy
- Standard living expenses

### Response and Turnaround Time:

An appeal for Special Circumstances is often sent to a committee to process. Please allow at least 3 weeks for a response. During peak processing times (January through August), it may take 4-6 weeks for an appeal to be reviewed by the committee. ***The student and parent will be informed of the decision by e-mail; we will use the e-mail address provided at the top of this form.***

**Rust College will accept the following cases. Please check the case that applies to your situation and include a detailed letter with your request.**

I/we understand that the Office of Financial Aid will review the request and let me/us know of the outcome in approximately 3 weeks.
